HAIR CONTROL

REPAIR & MOISTURE

REPAIR & MOISTURE SHAMPOO

Repair & Moisture Shampoo is suitable for dry, coarse and damaged as well as curly and chemically treated hair.

Contains hydrolysed vegetable proteins, Argan oil and Pro Vitamin B5 to nourish and revitalise your hair.

Repair & Moisture Shampoo strengthens and softens your hair resulting in a brighter, silky shine.

REPAIR & MOISTURE MASK

Repair and Moisture Mask is an intensive treatment for dry, damaged and porous hair types.

Soy and Rice micro proteins penetrate into the hairs cortex to restore the hairs integrity from inside the hairs structure.

Shea butter and Argan oil nourish the hair shaft and add moisture. The hair structure is improved thus increasing resistance to mechanical and heat stress, making it easy to comb.

After shampooing, towel dry the hair and apply Repair & Moisture Mask. Leave for 5 minutes before rinsing.

REPAIR & MOISTURE SERUM

Repair and Moisture Serum is enriched with Argan oil and Jojoba oil to control split ends. Results in a brilliant weightless shine and adds moisture to your hair. Our clear formulation does not result in discolouration of the hair.

Apply to lengths and ends on towel dried or dry hair. Do not rinse.

VOLUME BOOST

VOLUME BOOST SHAMPOO

Volume Boost Shampoo adds life to fine, limp hair. Pisum Sativum extracts thicken the hair shaft.

Volume Boost shampoo is suitable for frequent use and gives more body, volume and shine.

VOLUME BOOST NO RINSE CONDITIONER

Volume Boost No Rinse Conditioner is a weightless leave-in conditioner suitable for fine and limp hair.

Containing Pisum Sativum extracts to ensure full and healthy hair.

Spray onto damp hair after shampooing, comb through with a wide toothed comb. Do not rinse.

HAIR CONTROL

PURE

PURE SHAMPOO

Pure Shampoo is an ultra mild shampoo for a sensitive and/or irritated scalp.

It contains mild cleansing agents derived from coconut, fruit sugars and glycerin for optimal hydration.

This dermo-protective shampoo is suitable for daily use on all hair types and is especially suited for children, for people undergoing chemotherapy and people allergic to perfume, colorants and SLS (Sodium Laureth Sulfate). Pure Shampoo has a pleasant foaming sensation and makes the hair easier to detangle.

DETOX SHAMPOO

Detox Shampoo is suitable for all hair types.

It helps to protect the hair and scalp from environmental stress such as traffic exhaust fumes, UV light and particulate matter.

Micro proteins from Moringa seeds protect against pollution and dust adhesion. They also strengthen and condition the hair.

Detox Shampoo is suitable for daily use.

COLOR CONTROL

COLOR PROTECT

COLOR PROTECT SHAMPOO

COLOR PROTECT CONDITIONER

Color Protect Shampoo and Color Protect Conditioner are suitable for colour treated and highlighted hair.

They contain Aloe Vera which protects the colour pigment in the hair. Thus the colour lasts longer and appears more vibrant. UVA-UVB filters protect the hair against sun damage.

Use both products daily. For a maximum effect, leave the conditioner in for 5 minutes before rinsing out.

COLOR PROTECT SPRAY

Color Protect Spray is a leave-in spray for colour treated and highlighted hair which uses UVA-UVB filters to protect the hair colour.

After shampooing, spray onto damp, towel dried hair and comb through with a wide toothed comb, no need to rinse.

Colour Protect Spray protects against heat damage typically caused by hair dryers and styling irons. It also protects against natural sun damage and colour fading.

HAIR COSMETICS

SCALP CONTROL

RE-NEW

RE-NEW THERAPY

Re-New Therapy is a pre-shampoo treatment suitable for itchy, flaky and/or oily scalp.

Re-New Therapy contains Piper Nigrum (black pepper) berries and Inga Alba extract which have anti-inflammatory and soothing properties. Sodium Lauroyl Lactilate cleanses and purifies the scalp alleviating flaking.

Apply Re-New Therapy directly to the scalp in 3 cm sections.
Leave to work for ten minutes.

Wet the hair, emulsify and rinse thoroughly. Shampoo afterwards with Botéa Elements Shampoo: Anti Dandruff Shampoo, Sebum Control Shampoo or Vital Shampoo.

SCALP CONTROL

ANTI DANDRUFF

ANTI DANDRUFF SHAMPOO

ANTI DANDRUFF LOTION

Anti Dandruff Shampoo and lotion are suitable for the cleansing and treatment of itchy and flaky scalp.

They contain Piroctone Olamine which is a unique antimicrobial agent which reduces the prime symptoms of dandruff, itching and flaking of the scalp. Stinging Nettle extract which is rich in vitamins A and C and has astringent properties. It has been used for centuries as a treatment for dandruff and excess oiliness of the scalp. Betula alba is known for its skin healing and purifying properties. Arnica has a soothing, anti-inflammatory effect.

Use both Anti-Dandruff Shampoo and Lotion daily until the condition has cleared.

Apply the lotion to the scalp in 3 cm sections and rub into affected area. Do not rinse.

SCALP CONTROL

SEBUM CONTROL

SEBUM CONTROL SHAMPOO

SEBUM CONTROL LOTION

Sebum Control Shampoo and Sebum Control Lotion are recommended for the treatment of oily scalp and hair.

Both products use a complex of Zinc PCA and cranberry to regulate sebum production, the primary cause of the condition. They also have an antimicrobial action.

Use both Sebum Control Shampoo and Sebum Control Lotion daily until the condition has cleared.

Apply the lotion to the scalp in 3 cm section and rub into the affected area. Do not rinse.

SCALP CONTROL

VITAL

VITAL SHAMPOO

Vital Shampoo is designed for the prevention of hair loss and thinning hair.

It contains Bio Capigen™ VEG, a vegetable alternative to animal keratin.

Vital Shampoo both reduces hair loss and stimulates hair growth.

It contains hydrolysed soy proteins, zinc PCA, ginseng, red onion bulb extract, glucose, and vitamins B 3,5,6 & 8.

Use daily for approximately 12 weeks in combination with Vital Lotion.

VITAL LOTION

Vital Lotion treats hair loss and thinning hair using Follicusan™.

Vital Lotion actively vitalises cells of hair follicles which prevents premature, accelerated hair loss.

To be used in combination with Vital Shampoo for approximately 12 weeks to regulate the growth cycle. Apply Vital Lotion twice daily to the scalp in 3 cm sections and rub into the scalp. Do not rinse.
